10TH AMENDMENT TASK FORCE BILL OF THE WEEK

This week the 10th Amendment Task Force is highlighting **H.R. 663**, the “Save Our States Act,” introduced by Rep. Kevin Brady (TX-08) and Rep. Tom Graves (GA-09). H.R. 663 would block further implementation of ObamaCare until the Supreme Court rules on the constitutionality of the individual mandate, and its relation to the rest of the law. We strongly encourage all Members of the Task Force to consider supporting the “Save Our States Act.” A Dear Colleague and the current list of cosponsors is included below:

Protect States From Implementing Unconstitutional Health Care Law

Dear Colleague,

Since the House voted to repeal the 2010 health care bill, U.S. District Court Judge Roger Vinson of the Northern District Court in Florida became the second federal judge to rule that the Obama health care law’s individual mandate is unconstitutional. Judge Vinson also ruled that the entire law is unconstitutional. The President should stop implementing this massive government takeover of health care until the case moves fully through the judicial system.

We invite you to join us in sponsoring legislation, H.R. 663, the Save Our States Act, which would block further implementation of the law until the Supreme Court rules on the constitutionality of the individual mandate, and its relation to the rest of the law.

Americans of this generation and the next should not be paying for a law that federal courts have ruled unconstitutional. We need to repeal the law first and foremost, but at the very least, agree that we should not move forward with implementing the law until the highest court in the nation rules.

Since Judge Vinson’s ruling, the Obama Administration has not filed an appeal and has only filed a motion asking the district court to clarify its ruling. This action serves only to confuse the nation as to how the Administration is moving forward the new healthcare

law while law itself is in legal limbo. H.R. 663 will end the confusion by stopping implementation until we hear from the Supreme Court.

Please support help save our states by becoming a cosponsor of H.R. 663. **If you wish to cosponsor or have any questions, please contact Andrew Wankum at andrew.wankum@mail.house.gov or Josh Finestone at josh.finstone@mail.house.gov.**
